MARKEY LETTER.

Spoken in the Sunnyside
Kansas City, Mo., Dec. 31.—Quite a number of very good steers were received Monday and a few Tuesday of this week, and these got the benefit of a sharp temporary rise in prices, which covered killing cattle generally first part of this week. The cause of the advance was the practice of cutting off of the receipts, on account of the big storm, and some urgent orders in the hands of packers. The sharp demand dropped off yesterday and today and buyers have assumed a more careless and independent attitude again. However, prices are still 10 or 15 cents higher than a week ago, notwithstanding a loss of 5 to 10 cents yesterday and today combined. Some good choice steers sold today at \$4.40 to \$4.45, others earlier in the week at \$4.00 to \$4.10, light steers at \$3.50 to \$3.80, bullocks and steaks, fat, \$2.50 to \$3.50, fair to good cows, \$2.25 to \$2.50, a few up to \$3.00. No light veal here this week, and very few canners.

Hog prices do not change much. The market has averaged very strong this week, top today \$4.70, medium to heavy weights \$4.50 up. Light to medium weights \$4.50 to \$4.60, pigs and skins on down to \$4.00. Bad shipping conditions this week have kept down hog receipts more than other kinds of stock, but packers have apparently had no rush orders and have drifted along on a strong market.

Sheep prices are at their best fed western yearlings with a few ewes and wethers in them, sold at \$5.75 today, the same stuff that brought \$5.10 week before last. Choice lambs bring up to \$6.75 or more, wethers \$5.25, ewes \$4.75. Fifty-pound Mexican feeding yearlings sold at \$5.00 Tuesday, 30lb. lambs at the same price, feeding ewes \$3.25, 81lb. feeding lambs \$5.00. J. A. RICKART,
Live Stock Correspondent.

Coughing Spell Causes Death.

Harry Duckwell, aged 25 years, choked to death early yesterday morning at his home, in the presence of his wife and child. He contracted a slight cold a few days ago and paid but little attention to it. Yesterday morning he was seized with a fit of coughing which continued for some time. His wife sent for physician but before he could arrive another coughing spell came on and Duckwell died from suffocation.—St. Louis Globe-Democrat, Dec. 1, 1901. Ballard's Horehound Syrup would have saved him. 25c, 50c and \$1.00, for sale by W. B. Frame.

A Clever Production.

"Laugh and Grow Fat" is a tried and true saying. We all love to laugh. It is good for us to know it. Some of us prefer theatrical amusements dressed up to us in the shape of comedy and good wholesome, up-to-date, side-splitting comedy at that. The theater-goers of this city will have an opportunity to laugh to their hearts' content when that rollicking Shakespearean comedy "Twelfth Night" appears at the opera house on Wednesday, January 1. Screamingly humorous, but always refined and free from coarseness, this play is one bubble of mirth from the rise of the curtain until the fall, and never fails to send the audience away pleased with themselves and all the world. The company which comes here is managed by Mr. Joseph Shipman of New York and this fact alone is a guarantee of its artistic excellence. Miss Charlotte Burnett is a comedienne of rare beauty as the "Young" and her portrayal is received with the highest praise.

A Natural Result.

It is very reasonable to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take medicine into the system that will remove the cause of sickness, and illness will leave of itself. Dyspepsia, indigestion, sick headache and biliousness have their foundation in stomach disorders. Remove this weakness and the other symptoms are no more. There is one cure for this that all druggists sell for 25c per box it is Dr. Gunn's Improved Liver Pills. They get right at the beginning of these diseases and make the cure by taking away the cause. For sale by W. B. Frame.

It often takes a great hurricane to blow us even a little way toward Heaven.

Head About to Burst from Severe

Bilious Attack.

"I had a severe bilious attack and felt like my head was about to burst when I got hold of a free sample of Chamberlain's Stomach and Liver Tablets. I took a dose of them after supper and the next day felt like a new man, and have been feeling happy ever since," says Mr. J. W. Smith, of Dallas, Texas. For biliousness, Stomach troubles and constipation these tablets have no equal. Price 25 cents. For sale by F. J. Ramsey, Ardmore Drug Co., and W. B. Frame.
